The Friends of Carpenter's Brook Fish Hatchery

The Friends of Carpenter's Brook Fish Hatchery is a 501(c)(3) Not-for-Profit organization that supports the Hatchery and its many programs.

Occupying 100 acres of land on the western edge of Onondaga County, Carpenter's Brook raises more than 70,000 Brook, Brown, and Rainbow Trout yearly. Originally built during the Great Depression under a Works Project Administration grant, the hatchery has been in continuous operation for over 70 years.

Each year, the Hatchery stocks over 100 miles of streams and 10,000 acres of ponds, and lakes throughout Onondaga County, helping to ensure the fishing dreams, fish tales, and lasting memories for past, present, and future generations of anglers.

The Friends of Carpenter's Brook Fish Hatchery is the only four-time winner of the Onondaga County Federation of Sportsmen's **"Club of the Year"** in 1999, 2000, 2001, and 2004.

In 2002, the Friends were honored by the New York State Conservation Council as "Club of the Year."

Friends Accomplishments Include:

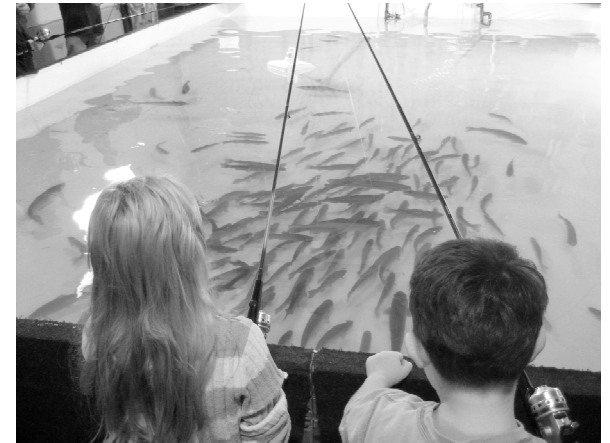

- Brookside Picnic Shelter
- Purchased 75 acres land
- Construction 3/4 acre *Time Out to Fish Pond*
- Pheasant Rearing Demonstration Project
- Installation of Disabled Access Playground
- Computer Equipment and Installation
- Backup generator

Create Great Memories

Did you enjoy a childhood where fishing provides memories to be relived in your children's eyes? Have you ever wondered about the life cycle of a fish? Or watched their feeding frenzy when you drop a hand full of pellets in a tank? Do you still like to catch an occasional dinner the way your grandpa did? Do you want your grandchildren to have the same opportunity?

Ask about our very popular school programs!

Ask about our portable trout pool!

How Does Membership Help Carpenter's Brook Fish Hatchery?

- Provides a constituency and voice for Hatchery programs.
- Provides for physical improvements to the Hatchery.
- Directly supports new and existing programs at the Hatchery including: *Time Out To Fish, School Programs, Diabetes Camp, Trout Fishing Derbies, and Land Aquisition.*
- Guarantees the continuation of one of Central New York's proudest traditions – the Opening Day of Trout Season – for future generations.

What Membership Does for You:

- Provides an opportunity to volunteer for a number of Hatchery programs.
- Membership Card and voting privileges.
- A chance to voice your concerns and help determine the Hatchery's future.
